What you need to do immediately—continued

Pay immediately—continued

- If you can't pay the amount due, pay as much as you can now and make payment arrangements that allow you to pay off the rest over time. Visit www.irs.gov and search for keyword: "tax payments options" for more information about:
 - Installment and payment agreements—download required forms or save time and money by applying online if you qualify
 - Automatic deductions from your bank account
 - Payroll deductions
 - Credit card payments
- Or, call us at 1-800-829-8374 to discuss your options.
- If you've already paid your balance in full within the past 14 days or made payment arrangements, please disregard this notice.

If we don't hear from you

- If you don't pay \$90,233.70 by November 10, 2011, interest will increase and additional penalties may apply.
- If you don't pay the amount due or call us to make payment arrangements, we can file a Notice of Federal Tax Lien on your property at any time, if we haven't already done so.
- If the lien is in place, you may find it difficult to sell or borrow against your property. The tax lien would also appear on your credit report—which may harm your credit rating—and your creditors would also be publicly notified that the IRS has priority to seize your property.
- If you don't pay your tax debt, we have the right to seize ("levy") your property.

Penalties

We are required by law to charge any applicable penalties.

Failure-to-pay

| Description | Amount |
|-----------------------------|-----------------|
| Total failure-to-pay | \$350.61 |

When you pay your taxes after the due date, we charge a penalty of 0.5% of the unpaid amount due per month, up to 25% of the amount due. We count part of a month as a full month. (Internal Revenue Code Section 6651)
For a detailed calculation of your penalty charges, call 1-800-829-8374.

Removal or reduction of penalties

We understand that circumstances—such as economic hardship, a family member's death, or loss of financial records due to natural disaster—may make it difficult for you to meet your taxpayer responsibility in a timely manner.

If you would like us to consider removing or reducing any of your penalty charges, please do the following:

- Identify which penalty charges you would like us to reconsider (e.g., 2005 late filing penalty).
- For each penalty charge, explain why you believe it should be reconsidered.
- Sign your statement, and mail it to us.

We will review your statement and let you know whether we accept your explanation as reasonable cause to reduce or remove the penalty charge(s).

Removal of penalties due to erroneous written advice from the IRS

If you were penalized based on written advice from the IRS, we will remove the penalty if you meet the following criteria:

- If you asked the IRS for written advice on a specific issue
- You gave us complete and accurate information
- You received written advice from us
- You relied on our written advice and were penalized based on that advice

To request removal of penalties based on erroneous written advice from us, submit a completed Claim for Refund and Request for Abatement (Form 843) to the IRS service center where you filed your tax return. For a copy of the form or to find your IRS service center, go to www.irs.gov or call 1-800-829-8374.
